2010 ENGINEERING SCHOLARSHIP COMPETITION

If you wish to apply for an engineering scholarship, please download and print this letter/application form. Complete the application form and send it to the address at the bottom of page 3.

If you are not already a member of The Air League go to the **Membership Information** page and either join online using a credit card by clicking **online membership application** or email: joining@airleague.co.uk with your address so we can send you an application form.

The Directors want to encourage enthusiastic young people to consider careers as engineers in the UK aerospace industry. To achieve this, scholarships are offered where you will:

- o spend time with an aircraft operator or manufacturer. It could range from an airline to a flying club, from an aircraft manufacturer to a component manufacturer.
- o work with experienced maintenance personnel on operational aircraft, engines, systems or equipment.
- o have a chance to impress a potential employer.
- o gain valuable experience for your CV.

Scholarships will be one or two weeks long during the period June-August 2010
Essential travel costs will be met
If needed, B&B accommodation and a meals allowance will be provided

Conditions

Applicants must:

- o be permanently resident in the UK;
- o be at least 17 but under 26 on 1 April 2010;
- o have gained at least four GCSE/SCE passes at Grade C or higher (including English Language and Mathematics);
- o be taking an appropriate course of further education with a view to following a career in the aerospace industry; and
- o be a member of The Air League (or be applying to be a member at the time of application for the bursary).

Selection Procedure

- Only applications received by 26 February 2010 will be considered.
- Awards are made after consideration of the information given in the application form.
- There is no interview and the decision of the Selection Board is final.

Application

- An application form, **completed in your own handwriting using black or blue-black ink only**, should reach the Secretary as soon as possible but not later than the closing date of Friday, 26 February 2010.
- An application for membership of The Air League must accompany application forms from non-members.
- Scholarship winners are notified by post in May/June 2010 and their names published in the aviation press, announced on the League's website and in The Air League newsletter.
